

INTRODUCING

TECH TUESDAYS

POWERED BY BETADEN

DRONE TECHNOLOGY: THE ART OF THE POSSIBLE

TUESDAY 7TH JULY
17:00 - 19:00
MALVERN HILLS SCIENCE PARK

Tech Tuesdays is BetaDen's New free event series, occurring bi-monthly on the first Tuesday of every month. Open to all interested in the evolving technology landscape.

Each event will focus on one particular area of technology, second in our series we will be discussing drone technology and how it opens up many possibilities in future tech.
